Dear Blake and Citizen Review Panel members;

The response to your annual report is complete and ready for review. Several Cabinet staffs were involved in the development of the responses to your recommendations.

The annual report always provides great insight into the public's perception of the implementation of policy and practice within the Cabinet. Your work provides the various branches within the Department for Community Based Services areas which may warrant further consideration.

Thank for your work on the panels and for your investment in Kentucky's children.

Sincerely,

Gayle L. Yocum, MSW, CSW
Internal Policy Analyst III
