Meeting Notes

- Cross Panel Collaborative to Evaluate Public Perception of DCBS
 - Jessica Fletcher provided an overview of what was discussed regarding the cross panel collaborative during the CRP Chairs meeting on 10/2/15.
 - There was discussion regarding the purpose of this evaluation. It was shared that in order to make recommendations regarding how DCBS can improve public perception, which was the topic selected by the panel prior to the retreat, that the public's perception first has to be known and cannot be considered what panel member's perceptions are. There was discussion regarding how the "general public" differs from service providers. If a poor or negative perception of DCBS is found to exist, it may impact the reporting of child abuse, neglect and dependency, as well as the department's ability to recruit and retain staff.
 - Dori Thompson facilitated a discussion regarding if the panel should be part of this cross-collaborative and what member's responsibilities might be (i.e. survey distribution and collection). The panel decided to participate in this effort, but had additional questions concerning methodology. Jessica shared that answers to these types of questions would be decided during upcoming Chairs meetings. Dori highlighted the need for a timeline to be developed.
- Evaluating CPS Workers
 - Jessica shared that the panel needs to obtain CHFS-IRB approval before disseminating a survey to collect data from Cabinet employees. Rachael Ratliff explained that previously she sent CRP surveys to CHFS legal for review and approval. Dori asked Rachael to see what steps needed to be taken to move forward with an evaluation of what CPS workers think about the public's perception of the work they do.
- Planning "A Conversation on Collaboration"
 - The theme this year is "Keeping Kids Safe"
 - The tentative date for this event is April 8, 2015
 - Jessica will see if the UK Extension Office has space available
 - Dori requested Cosi for breakfast as they have been used for these events previously
 - Estimate 100 to 120 participants
